## Dragon Awaken Cheat Code Free Download [Latest] 2022

“You are Adam, a neuroscientist struggling to remember your wife’s face. She left for her latest scientific expedition just after you published your book on the mysteries of the human memory. Your memories are slowly disintegrating, and if you don’t recover them soon, they’ll be lost forever. Can you piece together the puzzle of your wife’s memory and retrieve her before it’s too late?” Gameplay “Semispheres is a puzzle platformer where the rules and mechanics are constantly changing as you play” User-Made Worlds “The mechanics are constantly changing as you play, and the game is short and very addicting” Gamezebo “like nothing you’ve ever played before” Destructoid Controls Advance/Back: jumps S: calls Adam to search for a door D: switches to new level/advances to next chapter Space Bar: Decrease Time of Play Numerals Keypad: increase Time of Play “seems to share a lot of DNA with Lemmings” PC Game Corner Videos and Trailers “Short, simple, and creative puzzle-platformer with a lot of heart” Gamezebo “A very short, fun game” Destructoid “An excellent puzzle platformer” Rock Paper Shotgun “Fun puzzle game with a shocking ending” Giant Bomb “Easy to find collectibles, easy to collect, and hard to figure out” Rock Paper Shotgun “Overall, the concept is unique and clever, and I’m definitely looking forward to the other games in the series” Alteanot “Who knew that puzzles could be so beautiful?” PCG Mag “Everyone who has a Kindle for the Printer (or a kindle app on their desktop) will be able to enjoy this very entertaining story” Screencrave “Semispheres is a very charming, very fun, puzzle-platformer with an interesting concept: The puzzles change over the course of the game, but the game gives you a path and makes the puzzles much easier as you go through the story of Adam trying to remember his wife” Greenman “This was a wonderful little platformer, with a fun and interesting
