- A quest where your decisions matter and lead you to face a new and challenging challenge

## **WIZARD OF ESTELLA**

A behind-the-scenes game of the same name using a vertical gameplay format. It is a game full of characters whose conversations the player can control, where the story that unfolds is completely different depending on what the characters think. In Wizard of Estella, you can witness behind-the-scenes in the world of an RPG, while playing the role of a game character who is taking part in its story. The player will

---

be able to take on his or her role in a game that you do not know a backstory, have not played, or are not familiar with. This game allows you to enjoy an RPG novel game of all types.
