Imagine Dragons Its Time [PATCHED]

Lyrics: It's time for me to wake up Burning out I ain't afraid You've got me here for now Just let me go now Don't ever let me leave When I'm coming home to this town This city It's time for me to wake up Burning out I ain't afraid You've got me here for now Just let me go now Don't ever let me leave When I'm coming home to this town This city [CHORUS:] I never wanted to let you down I never wanted to leave this town Cause after all This city It's time for me to wake up Burning out I ain't afraid You've got me here for now Just let me go now Don't ever let me leave When I'm coming home to this town This city [VERSE 1:] This city, this city You take it away I won't let you do it 'Cause I'll be alright No you won't You've got to believe me Oh no, oh no I'll be alright This city, this city You take it away I won't let you do it 'Cause I'll be alright No you won't You've got to believe me Oh no, oh no I'll be alright [CHORUS] [VERSE 2:] I always knew that I was born to be Something great that one day I'd come This city, this city You take it away I won't let you do it 'Cause I'll be alright No you won't You've got to believe me Oh no, oh no I'll be alright This city, this city You take it away I won't let you do it 'Cause I'll be alright No you won't You've got to believe me Oh no, oh no I'll be alright [CHORUS] Chords: F# G# C# F# A# B A# You always knew B C# That I was born to be [CHORUS] x2 A# G# C# And one day I'd come A# G# C# This city, this city F# G# C# F# You take it away F# G# C#
