I can change the font size, but I cannot change the font. How can I change the font for a specific file or even the whole project? A: I've found in the VSCode settings a section for text font. You can specify a font to use in any text editor. Here is a list of all the possible fonts and settings: A Hiking Bible for the Rest of Us Camping, mountaineering, bear watching, and snowshoeing—it's no secret that the best way to enjoy Mother Nature is with your hands on the ground. Thankfully, it's easier than ever to get your hands dirty. Mike Snow, owner of Moving Mountains Adventures in Jackson, Wyoming, says he has a special edition of his P.S. (For the Record) guide for the busy hiker. "We wanted to make sure that people who were not hardcore trail runners," Snow says, "but want to add adventure travel to their bucket list could find hiking options that weren't
