WordPressThemeGen is a WordPress theme generator, allowing you to easily create new themes. This plugin can be used for both personal and professional use. To have a custom theme for your website: 1. First of all install WordPressThemeGen and activate it. 2. Click on Generate New Theme button. 3. You will see a form. Specify file folder and generate a new theme. 4. Download the theme generated on your computer. Support: Please make sure to rate the plugin as a good user experience. As a plugin author we are looking forward to feedback from our users. Please follow the forum and make sure you mark your question as solved, even if it took you more than one try. As this is a free plugin and we don't get money for it, we can't be always available to look into your problems. If you have any questions or ideas, let me know by sending me a private message or in the forum. About Me My name is Zandack. I'm a software developer. I'm specialised in Web Application and Open Source Development. I work for open source oriented company where I'm involved with WordPress Plugin Development. I develop WordPress plugins for user on fly. I'm also a writer, speaking about software topics on international events and conferences. This is a place where I write about software stuff which is interesting for me.Hi Guys,As I have now transferred to a new part-time job, we are no longer going to be having our event.However, here are the details of the 12th and 13th October for those of you who want to take part. The details are:-Location: Betley Station Car Park, on the A49 just before Redmarley Farm (don't go past Redmarley Farm, there are no towns in between) Ticket for the evening - £5.00 (includes a cuppa) Ticket for the afternoon - £3.00 (including a tea/coffee break at 3pm) You can purchase the tickets from me (they are on my advert page) or you can pay on the door.If you are selling tickets or would like to become a sponsor, please get in touch, there is a place up for grabs.Hope to see you all there!KateCooke works to keep antique farmstead intact Saturday Nov 2, 2013
